Gabriel Code of conduct and UN Global compact

Gabriel continuously works to build and maintain a strong ethical business culture throughout the entire Group. [Gabriel's Code of Conduct](#) and [Supplier Code of Conduct](#) set standards for the way, we do business and incorporate the internationally accepted UN practices and standards. Our ethical codices include human rights, animal welfare, anti-corruption, and anti-bribery.

Gabriel is a [UN Global Compact participant](#) and a member of [UN Global Compact Network Denmark](#). By endorsing the ten principles of the UN Global Compact, Gabriel is committed to continuously strengthen its social responsibility and to contribute to the UN Sustainable Development Goals.
