Institute of the International Association for Research and Testing in the Field of Textile Ecology (Oeko-Tex)

The company

**Gabriel A/S**

**Hjulgagervej 55**

**DK-9000 Aalborg, Danmark**

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our test report 1319876-44-09

for the following articles:

**Upholstery fabric of micro fibres, designated Comfort and Comfort FR, made of 88/12% polyester/polyurethane in several colours, based on fabrics, which are already certified by Oeko-Tex, with or without soil release finishing, with or without flame retardant products accepted by Oeko-Tex.**

The results of the inspection made according to Oeko-Tex® Standard 100, **product class IV** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for decoration material and mattresses.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

**This authorisation is valid until 31.01.2011**

Taastrup, 29.01.2010
