Institute of the International Association for Research and Testing in the Field of Textile Ecology (Oeko-Tex)

The company

Gabriel A/S

Hjulmagervej 55

DK-9000 Aalborg, Danmark

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our test report 1319876-150-03

for the following articles:

Screen fabrics, designated SOUL, made of 100% wool felt, based on materials already certified according to Oeko-Tex Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class IV** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for decoration material and mattresses.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 28.02.2011

Taastrup, 29.01.2010
