

CERTIFICATE

The company

Gabriel A/S
Hjulgagervej 55
9000 Aalborg, DENMARK

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **232-08-09**

for the following articles:

Artificial leather, designated OBIKA LEATHER+, with flame retardant properties and made of polyurethane/polyester/ cotton 66/24/10%, in a specified range of colours. The flame retardant product used is accepted by OEKO-TEX®

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class IV** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for decoration material.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 1476-232 is valid until 31.12.2020

Taastrup, 11.12.2019

**Confirmation of processing for STANDARD 100 by OEKO-TEX®
certificate no. 1476-232 product class IV for Obika Leather+**

To whom it may concern:

We hereby confirm that Gabriel A/S have applied for renewal of certificate no. 1476-232, which expires 31.12.2020.

Upon full compliance with the requirements of STANDARD 100 by OEKO-TEX® product class IV, appendix 4, the renewed certificate will be issued for:
Upholstery fabric/Artificial leather, designated OBIKA LEATHER+, flame retardant and made of polyurethane/polyester/cotton 66/24/10%, in a specified range of colors. The flame-retardant product used is accepted by OEKO-TEX®.

This confirmation is valid until 28.02.2021 or until the new certificate has been issued without remarks. It cannot be renewed or be used as replacement for a valid certificate.
